

The 12-Point True Blue Conservative Heartland Creed

	Protecting and preserving our Individual Liberties
	Low tax economy
	An economy set free from the fetters of an overbearing State where free enterprise, innovation, job creation and smart risk taking can properly flourish
	Compassionate Limited Government based on a smaller and non-intrusive state
	Strong Defence and an Armed Forces equipped to meet the challenges of the 21st century
	Repurposed Police Force to enforce laws, maintain proper law and order and ensure secure communities and neighbourhoods
	Innovative National Health Service led by medical professionals and repurposed for the 21st century
	Every child flourishing within a secure family and a world-class education system centred on Judeo-Christian values
	The British way of life – of peaceful and respectful co-existence
	Farmers and the rural way of life are enhanced, protected and valued
	Immigration system based on needs and the Australian skills points system
	Withdrawal from the ECHR and a compassionate, proportionate and temporary resettlement programme for peoples fleeing persecution and war
